Win More Government Contracts With Offices at GlobeHUB Coworking Space

*Located in both a Federal HUBZone and Opportunity Zone,
GlobeHUB offers priority access to lucrative public contracts*

(Chamblee, GA, March 5, 2021)—If your small business is looking to win lucrative contracts with the U.S. federal government, a Private Desk or Office at GlobeHUB will instantly increase your chances of winning.

GlobeHUB is an innovative co-working center located at the Peachtree Dekalb Airport, which places our address within a Federal HUBZone (Historically Underutilized Business Zones). According to the Small Business Administration, companies in HUBZones must be given preferential consideration for [set-aside federal contracts](#) as well as competitive ones – even if they're not the lowest bidder.

GlobeHUB is also in a qualified Opportunity Zone, which is an economically distressed community where new investments can receive preferential tax treatment. Our team can help investors interested in moving money to an OZ in order to get the tax benefits, [which you can learn more about here](#). We offer a range of flexible short- and long-term office solutions that can be tailored to your unique needs.

“GlobeHUB is much more than a co-working space,” said co-founders **Kevin Henao & Vishay Singh**. “We can accelerate the possibilities for small and medium-sized businesses.”

As a business incubator, GlobeHUB provides many services beyond a qualifying address, including access to funding, mentoring, marketing and more. Current tenants include small businesses that have already won millions in public contracts, and new tenants can benefit directly from their knowledge of how to assemble a winning proposal.

There are many co-working spaces, but dollar-for-dollar, none of them match the GlobeHUB experience. We offer free parking, secure access, fiber internet, large indoor and outdoor communal spaces, plenty of meeting and conference areas, complimentary coffee/espresso, and a pool table for breaks and conversation.

A Hot Desk Plus, which includes a physical mailing address, starts at \$150/month. Private Desks start at \$250 and Private Offices are available from \$650. Please visit TheGlobeHUB.com/HubZone to learn more and request more information.

Connect. Grow. Succeed. Only at GlobeHUB.
